

### Club News:

We had two visitors to our February meeting they were Tom Schulten & Paul Gunther. They both joined the club. We would like to welcome them to our club. We will be voting on changes to the display board, that were discussed at the January meeting, at the March meeting. Barney Dolt has been in the hospital. We wish him a speedy recovery, and hope to see him at the March meeting. John Gillin brought in some nice displays of English artifacts. Mike Sell was asked to find a wedding ring that was lost by our new member Tom Schulten, Mike called some of the other members and they all searched for the ring. John Gillin found the ring in a matter of a few minutes. This is what started Tom in the hobby and he went out and bought his first detector. Way to go guys!

Our website is up and running, please pay it a visit and let us know what we can do to improve it. If you have any pictures of club hunts or even individual club member hunts, recovery efforts, etc. please send these to John Purcell. This can be done by clicking on the contact administrator tag. Thanks John!

Larry Knobbe has a new Fisher CZ-3D for sale. He is asking \$625.00, if anyone is interested please contact Larry or see him at the March meeting..

Phil McCutchen spoke to us concerning the closed hunt. It should prove to be a good hunt.

We would like to thank Marty Pratt & Scott MacLane for the food provided for the February meeting.

Carol Rodgers & Bob Shaffer are responsible for the food for the March meeting.

**Club dues are now past due; please pay them as soon as possible!**
